

Step Pathway Light

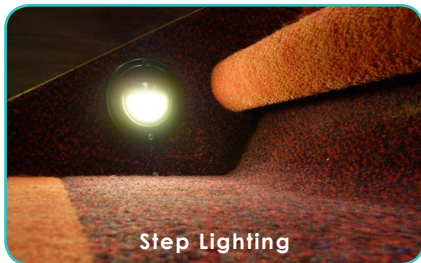

Features:

- 9 high quality (2900K \pm 300) warm white LEDs.
- Powder coated black stainless steel bezel.
- Fits standard 2.75" hole.
- 50,000 hour estimated life.
- Power Saving LED technology.
- Pillow optic lens & hood designed to prevent glare.
- Mounting bracket can be bent to allow for shallow depth applications.

Product Details:

Housing/Bezel	SS 304 with Black Powdercoat
Wattage	1.5W
Voltage	100-240V AC/DC
LED Color	Warm White (2900K \pm 300)
Hole Cutout	2.75" Hole Saw
Wire	18 AWG
Beam Angle	120°
Efficacy	13.6 lm/w at 120V AC

Application:

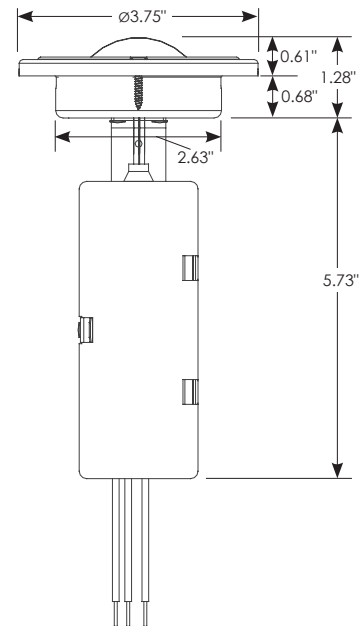

Part Number:

69860JB-3KH

Product Dimensions:

* Additional bezel finishes available by special order.
